Dear Dancers,

As Presidents of the Pennsylvania Square and Round Dance Federation (PSRDF) and Chairmen of the 23<sup>rd</sup> PSRDF Convention, we would like your honest input. Our goal is to evaluate why more of the over 1,500 dancers in the PSRDF are not attending our convention and if there is anything that we can change to either bring you to it for the first time or encourage you to come again. We are sending you a brief survey to evaluate if the lack of attendance is due to circumstances beyond our control or if there are more changes we can make to attract more dancers.

Whether you have ever attend the PSRDF Convention or not, we hope that you will take just a few moments to complete this survey and return it to us. *Your answers are completely anonymous* because we are looking at the overall picture and not at each individual response. As a result of ideas already provided we have made significant changes to the convention in recent years. Therefore your responses are important to us and do make a difference.

If you would like to add any additional suggestions or comments please feel free to do so on your survey. Also, if you prefer email communication you may include your email address at the bottom of the survey if you so choose.

Please mail all completed surveys to Emma Lou Shaffor. Her address is located at the bottom of *the survey which can be found on the reverse side of this letter.* If you have any questions please call or email us. Our contact information is provided below.

Sincerely,  
Tony & Diana Rock, PSRDF Presidents
